It time the NEW EDMONTON BULLETIN
Lit has made an unprecedented gain in
which probably establishes a record in circulation achievement in Canada. From a net pa of 5477 in May, 1925, the last month for which available on the old EDMONTON BULLETIN, of 14,251 in June, 1927, is the remarkable leap i lation taken by this newspaper since December, There must be a distinct meeting of a dem

receiving the support of those who believe in Edmonton and in Alberia. In addition to the 160 per cent increase in circulation the EDMONTON BULLETIN figures show that local advertising has increased 256 per cent in the same space of time. Classified advertising has increased 134 per cent, and foreign advertising 81 per cent, and foreign advertising 81 per cent.

These figures are startling. They show that the men who buy advertising: the men who know the "pulling power" of a newspaper: have confidence in the EDMONTON BULLETIN

Eaton's Java and Mocha Blend PURE COFFEE

Pleases Persons of Well Informed Taste

The reason is simple. An expert blends it, an expert who knows good coffee at the first taste. More; he knows how to give it that taste. He handles his fragrant coffees as the artist handles his colors. The mingled flavors become one perfect flavor. It is a work of art in its way.

Order a pound. Try it, you will recognize a master hand in the blending.
